

A Glenville State College student receives a cleaning by a Minigh Family Dentistry employee during their on-campus dental clinic visit

George Y. has been honored by the GSC Alumni Association as the 2020 Alumnus of the Year. He recently retired after nearly 57 years in the education field and retail business.

Before he retired from his own business - World, Inc. - George worked as a music teacher for both the Wetzel and Kanawha County Boards of Education and a sales representative

notes that his career highlight is, "teaching music to students and helping school music programs, directors, and families."

Minigh Family Dentistry of Glenville recently provided teeth cleaning services to the Glenville State College campus community.

The service, led by GSC alumnus Dr. Andrew Minigh '09, was available to GSC students, faculty, and staff. Appointments ran throughout the day, providing an opportunity for many to participate. "Dental care is just as important to our overall health as well-visits with your physician," said Minigh. "We are dedicated to making sure students receive the care and attention they deserve."

For those without insurance, the service was offered at no

While a student at GSC, George was a member of the marching band, concert band, jazz big band, concert choir, and the chamber choir. He received his
