

As part of the GSC Alumni
presence at high school
football games last fall, Mary
Sue set up a GSC
information canopy at the
Independence High School
vs Liberty (Raleigh) football
game on October 13th for
alumni in the area to gather,
visit among themselves, and
share their GSC experiences
with prospective students.

Thank you Mary Sue for
helping us to recruit students
at GSC and for all you do to
bring recognition to your
alma mater. We are proudl fc

Students at a Forestry Field Day in 1978

50th Anniversary of Forest Technology Program
